WESTERN STATES MARIJUANA SUMMIT

REGISTER NOW: WWW.CADFY.ORG/MARIJUANA-PRESCRIPTION-DRUG-ABUSE-SUMMIT

This conference will bring together representatives from the Western US to focus on Public Health and Safety issues surrounding marijuana issues and the impacts they have on our communities. Nationally recognized experts, as well as experts from Colorado, Washington, Oregon, and other states will offer factual details as well as their views on the impacts that marijuana is having on their regions. It will bring together health, safety, and drug prevention experts to offer their observation, experiences, and solutions! **The objective:** focus significant time on developing state and local strategies and share best practices with other regions that are facing similar challenges.

WHO WILL BE SPEAKING:

- ◆ **The Honorable Mary Bono**, *Former U.S. Representative*
- ◆ **Dr. Stuart Gitlow**, *Executive Director of the Annenberg Physician Training Program in Addictive Disease*
